Scott:

Erik and I would like to thank you for your part in making our wedding truly the best day of our lives. We have heard endless compliments for our guests and our event planner at the Holiday Inn. We have already recommended you to several of our friends with upcoming weddings and even Chris, our event coordinator, at the Holiday Inn wanted your contact information so that she could recommend you for future events.

We can't believe how smoothly things went! From the slideshow, to the lovely dinner music, to the dancing that continued throughout the evening, we have received nothing but compliments. We knew going into this that the celebration after the wedding with all of our friends and family was the most important thing to us, and thanks to you everyone from our two year old nephew to our nearly 80 year old grandfather had a great time dancing and spending time with everyone. Our wedding day truly was our dreams come true.

Thank you again, and best wishes to you. We will keep passing your name along!

Kristen and Erik Engebretsen
